MAM Degree Requirements	
Units required	192 units are required to complete the MAM program
Undergrad units toward the MAM degree	Up to 48 units of undergraduate classes completed while enrolled in the MAM program may be transferred and counted toward the required 192 units. Courses should be upper division and relevant to the content of the MAM degree. A grade of B or better must be earned in order to count the units toward the MAM degree.
Units remaining	At least 144 MAM units of coursework would remain to be completed
	Some MAM courses may fulfill undergraduate requirements. You should discuss this with your Chatham undergraduate advisor.
Prerequisite Coursework	Prerequisite coursework in pre-calculus and/or statistics must be successfully completed prior to enrolling in the program. Prerequisite course grades should be a "B" or higher. Students who do not meet this prerequisite will be required to complete the Quantitative Skills Summer Program (QSSP) the summer before your senior year, prior to enrolling in the MAM program
Internship	Successful completion of an approved summer internship between first and second year of the program

Financial Aid Information	
Financial aid for your senior year (first year at Heinz) will continue as it has in prior years	
Undergraduate students do not qualify for Heinz MAM financial aid	
Students <u>will</u> qualify for aid in the final two semesters of the MAM-AMP (after having completed a Bachelor's degree)	
Financial Aid contact: David Eber, deber@andrew.cmu.edu	

Schedule

Accelerated master's students are required to enroll in 24 units (equal to 2 full-semester classes) at Heinz College each semester of their senior year. Students will be required to complete a cross-registration form (PCHE) through Chatham University. Students will work with their Heinz College Program Director to determine which Heinz College courses to register for each semester.

Benefits

- You will complete two semesters of coursework as an integrated undergraduate-graduate student before graduating with a Bachelor's degree in May
- You will be able to complete an internship in the summer following your senior year
- Completing your internship prior to starting the final two semesters will allow you to have more work experience for your resume when seeking employment opportunities.
- You will be eligible for MAM financial aid in the final two semesters of the program (after having **completed** a Bachelor's degree)
- You may be able to exempt certain Heinz courses with units earned in undergraduate coursework that would give you more flexibility in course selection. The undergraduate courses that qualify you to exempt a Heinz course are reviewed each academic year.

Accelerated Master’s Program (AMP) Undergraduate Course Requirements Form

**This form is required as part of the Application for admission.
Please upload the completed form to your online application**

All students applying to the AMP must complete this form (with their advisor’s signature), listing their undergraduate degree requirements (specific courses that are required, electives AND any other units required to complete their bachelor’s degree) that will be remaining prior to enrolling at Heinz College (at the start of the fall semester of their senior year).

Chatham undergraduate students are eligible to apply for admission to the AMP only if the student will have the ability to enroll in the necessary number of graduate courses during their senior year:

- MAM: 48 UNITS MUST BE TAKEN IN THE FIRST YEAR (24 units per semester)

Chatham undergraduate students are eligible to “double count” certain undergraduate coursework towards their master’s degree requirements. The following applies to courses taken during their senior year, while enrolled in the AMP, with their master’s program director’s approval, and assuming an upper division course of grade B or higher:

- MAM: 48 UNITS OR LESS

Student Name: _____

Student Undergraduate Major: _____

of credits required to complete bachelor’s degree= _____

of credits remaining (at the start of senior year) to graduate= _____

Please legibly list the remaining required courses you need to take in order to complete your undergraduate degree, what semester you plan to take them during your senior year, and how many units/credits you will earn for each course:
